TO: School District Administrators  
FROM: Division of Administration, Finance and Accountability  
SUBJECT: Contingent Tax Liability

**\*\*\* ACTION ITEM \*\*\***

The Auditor-Controller's office has posted the contingent tax liability statements as of 6/30/17 on their web site at (<http://www.co.kern.ca.us/auditor/contingent/contliabyear.asp>). A summary copy of these balances is attached to this bulletin.

Districts that have excess liability balances, noted in the final column in bracketed numbers, are required to release these excess impounds. The Auditor-Controller will report the amount of excess to the CDE on the P-1 J29B report of property taxes to be collected and will be an offset to state aid at the P-1 apportionment in February.

Should the district have unfunded liability, reflected by a positive amount listed in the final column of the liability statement, plans should be undertaken to impound taxes. A resolution authorizing impounds must be adopted by the district board followed by a letter written to the Auditor-Controller's office. The letter should contain three pieces of information: 1) how much tax to impound; 2) when to impound; 3) what to do with the interest earned.

This office recommends that you instruct the Auditor-Controller to impound 50% of the required taxes from the April collections and 50% from the May collections. This will minimize the negative cash flow effect of the impound. We also recommend that you request interest earned on the impound account to be deposited to your general fund. The letter to impound should be written before March so that reduced tax collections can be reflected in the P-2 J29B.

Sample resolutions to impound or release are attached to this bulletin.

Please contact your District Fiscal Advisor should you have any questions.
