Personal Property

The district may sell surplus or obsolete district-owned personal property through any of the following methods:

1. The Superintendent or designee may advertise for bids by posting a notice in at least three public places in the district for at least two weeks, or by publishing a notice at least once a week for at least two weeks in a newspaper having a general circulation in the district and, if possible, publishing within the district. The district shall sell the property to the highest responsible bidder or shall reject all bids. (Education Code 17545)

Property for which no qualified bid has been received may be sold, without further advertising, by the Superintendent or designee. (Education Code 17546)

(cf. 3311 - Bids)

2. The property may be sold by means of a public auction conducted by district employees, employees of other public agencies, or by contract with a private auction firm. Notice related to the auction shall be posted or published as described in item #1 above. (Education Code 17545)

3. The district may sell the property without advertising for bids under any of the following conditions:

a. The Governing Board members attending a meeting unanimously agree that the property, whether one or more items, does not exceed \$2,500 in value. (Education Code 17546)

(cf. 9323.2 - Actions by the Board)

b. The district sells the property to agencies of federal, state, or local government, to any other school district, or to any agency eligible under the federal surplus property law (40 USC 484 renumbered 40 USC 549) and the sale price equals the cost of the property plus the estimated cost of purchasing, storing, and handling. (Education Code 17540)

c. The district sells or leases the property to agencies of the federal, state, or local government or to any other school district and the price and terms of the sale or lease are fixed by the Board and approved by the County Superintendent of Schools. (Education Code 17542)

If the Board members attending a meeting unanimously find that the value of the property is insufficient to defray the costs of arranging a sale, the property may be donated to a charitable organization deemed appropriate by the Board or may be disposed of by dumping. (Education Code 17546)

Money received from the sale of surplus property shall be either deposited in the district reserve or general fund or credited to the fund from which the original purchase was made. (Education Code 17547)

Instructional Materials

Surplus or undistributed obsolete instructional materials that are usable for educational purposes may be sold by the district, in which case all of the proceeds of the sale shall be available to acquire basic instructional materials, supplemental instructional materials, or technology-based materials. (Education Code 60510, 60510.1, 60521)

(cf. 0440 - District Technology Plan)
(cf. 6161.1 - Selection and Evaluation of Instructional Materials)
(cf. 6161.11 - Supplementary Instructional Materials)
(cf. 6163.1 - Library Media Centers)

Such materials also may be donated to another district, county free library, or other state institution; a United States public agency or institution; a nonprofit charitable organization; or children or adults in California or foreign countries for the purpose of increasing the general literacy of the people. Any organization, agency, or institution receiving obsolete instructional materials donated by the district shall certify to the Board that it agrees to make no charge to any persons to whom it gives or lends these materials. (Education Code 60510, 60511)

(cf. 9323 - Meeting Conduct)

1. Mutilated so as not to be salable and sold for scrap at the highest obtainable price
2. Destroyed by any economical means, provided that the materials are not destroyed until at least 30 days after the district has given notice to all persons who have filed a request for such notice

(cf. 3510 - Green School Operations)
(cf. 3511.1 - Integrated Waste Management)

Replacement of School Buses

Upon receiving a state apportionment for the replacement of a school bus, the Board

may sell the bus that is being replaced to another California school district if the following conditions are met: (Education Code 42303)

2. The bus being replaced by the other district is older than the bus that is being sold by this district.
3. The bus being replaced by the other district is not sold to a third school district.
