For such leave, the employee shall be granted no more than 60 working days in any one fiscal year for the same industrial accident or illness.

To be eligible for industrial accident or illness leave, a classified employee shall have served in the district continuously for at least three years.

Allowable industrial accident or illness leave shall not be accumulated from year to year. (Education Code 44984, 45192)

When an employee is absent from his/her duties because of an industrial accident or illness: (Education Code 44043, 44044, 44984, 45192)

1. The leave shall start on the first day of absence.

3. The leave shall be reduced by one day for each day of authorized absence, regardless of an award granted under workers' compensation laws.
4. When the leave overlaps into the next fiscal year, the employee is entitled to only the amount of unused leave due the employee for the same illness or injury.

During any paid leave of absence, the employee shall endorse to the district any workers' compensation checks received on account of an industrial accident or illness. The Superintendent or designee shall then issue payment of the employee's normal wage or salary less any appropriate deductions, including, but not limited to, employee retirement contributions. Any employee receiving benefits under this leave shall, during periods of injury or illness, remain within California unless the Governing Board authorizes travel outside the state. (Education Code 44984, 45192)

Absence for industrial accident or illness shall not be considered a break in service of the employee. An employee using such leave shall retain all status and benefits to which he/she would otherwise be entitled.
