Grades/Evaluation Of Student Achievement

BP 5121

The Governing Board believes that grades serve a valuable instructional purpose by helping students and parents/guardians understand performance expectations and identifying the student's areas of strength and those areas needing improvement. Parents/guardians and students have the right to receive course grades that represent an accurate evaluation of the student's achievement.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

The Superintendent or designee shall establish a uniform grading system based on standards that apply to all students in that course and grade level. Principals and teachers shall ensure that student grades conform to this system. Teachers shall inform students and parents/guardians how student achievement will be evaluated in the classroom.

A teacher shall base a student's grades on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and district standards. Students shall have the opportunity to demonstrate this mastery through a variety of methods such as classroom participation, homework, tests, and portfolios.

(cf. 6011 - Academic Standards)
(cf. 6162.5 - Student Assessment)

The teacher of each course shall determine the student's grade. The grade assigned by the teacher shall not be changed by the Board or the Superintendent except as provided by law, Board policy, or administrative regulation. (Education Code 49066)

(cf. 5125.3 - Challenging Student Records)

When reporting student performance to parents/guardians, teachers may add narrative descriptions, observational notes, and/or samples of classroom work in order to better describe student progress in specific skills and subcategories of achievement.

A report card for a student with a disability may contain information about his/her disability, including whether that student received special education or related services, provided that the report card informs parents/guardians about their child's progress or level of achievement in specific classes, course content, or curriculum. However, transcripts that may be used to inform postsecondary institutions or prospective employers of the student's academic achievements shall not contain information

disclosing the student's disability.

(cf. 5125 - Student Records)

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education Under Section 504)

Effect of Absences on Grades

If a student misses class without an excuse and does not subsequently turn in homework, take a test, or fulfill another class requirement which he/she missed, the teacher may lower the student's grade for nonperformance.

(cf. 6154 - Homework/Makeup Work)

The Board believes that 10 unexcused absences per grading period constitute excessive unexcused absences. Students with excessive unexcused absences may receive a failing grade and not receive credit for the class(es).

(cf. 5113 - Absences and Excuses)

Grade Point Average

The Superintendent or designee shall determine the methodology to be used in calculating students' grade point averages (GPA), including the courses to be included within the GPA and whether extra grade weighting shall be applied to Advanced Placement, honors, and/or concurrent postsecondary courses.

(cf. 6141.5 - Advanced Placement)

(cf. 6172 - Gifted and Talented Student Program)

(cf. 6172.1 - Concurrent Enrollment in College Classes)

Students

Grades/Evaluation Of Student Achievement

AR 5121

Written report cards displaying students' grades in each subject or course shall be distributed to parents/guardians at the end of each grading period. Parents/guardians shall be offered an opportunity to meet with their child's teacher(s) to discuss the grades and strategies to improve their child's performance.

(cf. 6020 - Parent Involvement)

Whenever it becomes evident to a teacher that a student is in danger of failing a course, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report. (Education Code 49067)

(cf. 5123 - Promotion/Acceleration/Retention)

For each student in grades 9-12, the Superintendent or designee shall maintain a transcript recording the courses taken, the term that each course was taken, credits earned, final grades, and date of graduation.

(cf. 5125 - Student Records)

(cf. 6146.1 - High School Graduation Requirements)

Grades for Achievement

For grade K, students' level of progress shall be reported as follows:

- O Outstanding
- S Satisfactory
- N Needs Improvement
- U Unsatisfactory

For grades 1-12, grades for achievement shall be reported for each grading period as follows:

A	(90-100%) Superior Achievement	4.0 grade points
B	(80-89%) Solid Average Achievement	3.0 grade points
C	(70-79%) Basic Achievement	2.0 grade points
D	(60-69%) Below Basic Achievement	1.0 grade points
F	(0-59%) Far Below Basic Achievement	0 grade points
I	Incomplete	0 grade points

An Incomplete shall be given only when a student's work is not finished because of illness or other excused absence. If not made up within six weeks, the Incomplete shall become an F.

Because of the more rigorous nature of Advanced Placement, honors, and concurrent postsecondary courses, if offered, students receiving a grade of A, B, or C in those courses shall receive extra grade weighting as follows:

A	(90-100%) Outstanding Achievement	5.0 grade points
B	(80-89%) Above Average Achievement	4.0 grade points
C	(70-79%) Average Achievement	3.0 grade points

(cf. 6141.5 - Advanced Placement)

(cf. 6172 - Gifted and Talented Student Program)

(cf. 6172.1 - Concurrent Enrollment in College Classes)

Grades for Physical Education

No grade of a student participating in a physical education class may be adversely affected due to the fact that the student, because of circumstances beyond his/her control, does not wear standardized physical education apparel. (Education Code 49066)

(cf. 6142.7 - Physical Education)

Student performance in high school physical education courses shall be based upon evaluation of the student's individual progress, attainment of goals in each instructional area, tests designed to determine skill and knowledge, and physical performance tests. (5 CCR 10060)

Grades for College Courses

When the district has approved a student to receive district credit for coursework completed at a community college or four-year college, he/she shall receive the same letter grade as is granted by the college.

Grades for Citizenship, Study Skills, and Effort

Grades for citizenship, study skills, and effort shall be reported as follows:

O Outstanding

S Satisfactory

I Improving

N Needs Improvement

Pass/Fail Grading

The Superintendent or designee may identify courses or programs for which students

may, with parent/guardian permission, elect to earn a Pass or Fail grade instead of a letter grade.

Students who receive a Pass grade shall acquire the appropriate semester units of credit for the course. The grade shall not be counted in determining class rank, honors list, or membership in the California Scholarship Federation. Students who receive a Fail grade shall not receive credit for taking the course.

Peer Grading

At their discretion, teachers may use peer grading of student tests, papers, and assignments as appropriate to reinforce lessons.

Repeating Classes

With the approval of the principal or designee, a student may repeat a course in order to raise his/her grade. Both grades received shall be entered on the student's transcript, but the student shall receive credit only once for taking the course.

The highest grade received shall be used in determining the student's overall grade point average (GPA).

Withdrawal from Classes

A student who drops a course during the first six weeks of the grading period may do so without any entry on his/her permanent record card. A student who drops a course after the first six weeks of the grading period shall receive an F grade on his/her permanent record, unless otherwise decided by the principal or designee because of extenuating circumstances.

Effect of Absences on Grades

Teachers who withhold class credit because of excessive unexcused absences shall so inform students and parents/guardians at the beginning of the school year or semester. When a student reaches the number of unexcused absences defined as excessive in Board policy, the student and parent/guardian shall again be notified of the district's policy regarding excessive unexcused absences.

(cf. 5113 - Absences and Excuses)

The student and parent/guardian shall have a reasonable opportunity to explain the absences. (Education Code 49067)

If a student receives a failing grade because of excessive unexcused absences, the student's record shall specify that the grade was assigned because of excessive unexcused absences. (Education Code 49067)

Grades for a student in foster care shall not be lowered if the student is absent from school due to either of the following circumstances: (Education Code 49069.5)

1. A decision by a court or placement agency to change the student's placement, in which case the student's grades and credits shall be calculated as of the date the student left school
2. A verified court appearance or related court-ordered activity

(cf. 6173.1 - Education for Foster Youth)

Grade Point Average

The Superintendent or designee shall calculate each student's GPA using the grade points assigned to each letter grade in accordance with the scale described in the section "Grades for Achievement" above. The grade points for all applicable coursework shall be totaled and divided by the number of courses completed.

(cf. 5126 - Awards for Achievement)

(cf. 6145 - Extracurricular and Cocurricular Activities)

When plus and minus designations are added to letter grades, they shall not be considered in determining GPA.

Honor Roll

Each school shall post an Honor Roll. All courses except Pass/Fail shall be counted in computing eligibility for the Honor Roll. To qualify for the Honor Roll, a student must receive no current grade below a D and have a grade point average of 3.0 or better.
