Administrative Regulation

Certificate Of Proficiency/High School Equivalency

AR 6146.2

Certificate of Proficiency

The principal of each school maintaining grades 11 and 12 shall distribute to each student in those grades an announcement explaining the California High School Proficiency Examination (CHSPE). Announcements from the California Department of Education (CDE) or its contractor shall be distributed early enough to enable interested students to register for the test to be given in the fall of that year. (5 CCR 11523)

(cf. 5145.6 - Parental Notifications)

The principal also shall advise students that the certificate of proficiency awarded upon passing the CHSPE, while equivalent to a high school diploma, is not the equivalent of completing all coursework required for high school graduation and therefore students should contact the admissions office of the college or university they are interested in attending to determine if the certificate satisfies college admission requirements.

Any student may take the CHSPE if he/she meets one of the following conditions:
(Education Code 48412)

1. Is age 16 or older
2. Has been enrolled in the 10th grade for one school year or longer
3. Will complete one school year of enrollment in 10th grade at the end of the semester during which the CHSPE will be administered

If a student receives the certificate of proficiency, the district shall indicate the student's accomplishment and the date of the award on the student's official transcript. (5 CCR 11521)

(cf. 5125 - Student Records)

Any student who has received the certificate of proficiency may be exempted from compulsory school attendance upon his/her request, with verified parent/guardian consent as appropriate. (Education Code 48410)

(cf. 5112.1 - Exemptions from Attendance)

The consent form to be exempted from compulsory school attendance shall be provided

by the Superintendent or designee and shall contain at least the following information:
(5 CCR 11522)

1. A general explanation of the student's rights of exemption from compulsory attendance and of re-enrollment in the public schools
2. The date of issuance of the certificate of proficiency
3. The signature of the parent/guardian and the date
4. The signature of the school administrator who has personally confirmed the authenticity of the parent/guardian's signature and the date

If a student age 16 or 17 terminates his/her enrollment after receiving the high school proficiency certificate, he/she may re-enroll in the district. If he/she subsequently terminates enrollment again, he/she may be denied re-enrollment until the beginning of the following semester. (Education Code 48414)

(cf. 6184 - Continuation Education)

2. Is not currently enrolled in school and is within 60 days of when he/she would have graduated from high school had he/she remained in school and followed the usual course of study
