

Peak to Peak Mountain Charter

California Department of Education School Accountability Report Card Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians, and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Principal, Peak to Peak Mountain Charter

About Our School

This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of information related to individual public schools. School finances and school completion data are reported for the 2011-12 school year. These years Peak to Peak Mountain Charter was not in existence. Contact information, facilities, curriculum and instructional material, and select teacher data are reported for the 2013-2014 school year.

Peak to Peak Mountain Charter is a small K-8 charter school located in a rural mountain community. We strive for high academic achievement for all students. The school population consisted of approximately 85 students in four self-contained classrooms during the 2013-2014 school year.

Peak to Peak Mountain Charter opened for enrollment in the 2013-2014 school year. For additional information about the school, parents and community members should contact the school at (661) 242-3811 or visit the school website www.peaktopeakmountaincharter.org.

School Description and Mission Statement - Most Recent Year

Peak to Peak Mountain Charter is an Independent Public Charter School authorized by the Maricopa Unified School District. We are located 3.5 miles west of Pine Mountain Club, surrounded by the Los Padres National Forest. Our campus includes four multi-grade classrooms that allow students to advance to more challenging lessons in subjects where they excel.

Our primary goal at Peak to Peak Mountain Charter is to provide an exemplary individualized, standards-based education for all children, with an emphasis on cooperative, hands-on, theme-based learning. We believe that all children are unique and gifted individuals.

We are committed to working collaboratively to develop lifelong learners in a safe and caring academic environment, where students are challenged, integrity and Personal Best expected, and differences valued.

Peak to Peak Mountain Charter puts student academic achievement first. Small class sizes and individualized attention for students allow us to focus on and and strive to recognize and meet the specific needs of each student.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2013-14	2014-15	2015-16	2015-16
With Full Credential	4	4	4	
Without Full Credential	0	0	0	
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	

Last updated: 1/21/2016

Teacher Misassignments and Vacant Teacher Positions

Indicator	2013-14	2014-15	2015-16
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English learners.

School Facility Conditions and Planned Improvements - Most Recent Year

The Peak to Peak Mountain Charter school campus is located a 2.5 miles west of the community of Pine Mountain Club and is leased from County of Kern Parks and Recreation. The facility consists of four large classrooms, a small office building, a greenhouse, a covered outdoor lunch area, and playgrounds with multi-age activities.

Each classroom has SMART Board technology to enhance curriculum and student participation. Classrooms had the use of 5-6 computers for student use in each classroom (Grades 6-8) having 7 computers. All students have access to a tablet or a laptop (1:1 devices). All classrooms have extensive integrated libraries with grade appropriate books, and the younger classrooms are equipped with listening centers and recorded books on tape. The classrooms are set-up to accommodate small group instruction which is utilized at Peak to Peak Mountain Charter. Fire extinguishers, fire alarms, smoke detectors and CO detectors are installed in each classroom.

The outside areas around the buildings maintain rural appearance yet child friendly. Peak to Peak Mountain Charter supports a native plant garden in the courtyard. Peak to Peak Mountain Charter's playground includes a jungle gym, traveling rings, a slide with IPEMA certification, a large sandbox, portable soccer goals, and freestanding basketball net; A lower playground area is used for running games such as soccer, kickball and volleyball. The natural area surrounding Peak to Peak Mountain Charter has brush reduction completed by the County Fire. Brush cutting has also been completed around the buildings and playground on campus.

Due to drought a self contained water system that is permitted was brought in to supply the school with water until the original water system is rehabbed. Once that is completed the school will reconnect with the Camp Condor Water System.

Buildings exteriors were patched and sealed. Two toilets have been replaced.

Two Eagle Scout projects are to be completed in the spring: The first consists of a new, larger, relocated flag pole, the completion of the greenhouse floor, additional steps to path that has eroded and new gate surroundings around heaters in the quonset building. The second is to create a walking path from the school to the closest road, so pedestrians don't have to walk on the driveway.

Annual maintenance on the the Heating and Air Conditioning units will be conducted.

School Facility Good Repair Status - Most Recent Year

Year and month in which data were collected: January 2016

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	Septic tanks were cleaned out in March 2015, propane lines were inspected in August 2015 prior to the beginning of 2015-16 school year, and HVAC systems in portable are due for maintenance in Spring 2016. The possibility of replacing the heaters in the Kindergarten room and quonset building is likely, due to age.
Interior: Interior Surfaces	Good	New carpet was purchased for one classroom and office.
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	Continual repairs are being made on the exterior of the buildings. Holes were patched, grating replaced and the wire to our camera system fixed was completed in September 2015. Maintenance will be ongoing due to our remote location.
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/Fountains	Good	Due to hard water replacement of the office and ADA toilets, the valve

		in the boys faucet, and kitchen faucet were required. The office bathroom faucet will be repaired in February 2016.
Safety: Fire Safety, Hazardous Materials	Good	Extinguishers service annually. Brush clearing around buildings is on-going.
Structural: Structural Damage, Roofs	Fair	Siding was repaired in September 2015. The roof on the quonset will be repaired in February 2016.
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	A driveway was enlarged to allow for the drop off and pick-up of students closer to the classrooms. New safety mulch was brought in for both the upper and lower playgrounds. Windows in the Kindergarten and quonset building need to be replaced. A path will be created for pedestrians in the spring.

Overall Facility Rate - Most Recent Year

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

California Assessment of Student Performance and Progress Results for All Students (School Year 2014-15)

Subject	Percent of Students Meeting or Exceeding the State Standards		
	School	District	State
English Language Arts / Literacy (grades 3-8 and 11)	39.0%	11.0%	44.0%
Mathematics (grades 3-8 and 11)	37.0%	9.0%	33.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

School Safety Plan - Most Recent Year

Peak to Peak Mountain Charter annually updates (if necessary) all registration forms one of which safety procedures for pick-up and drop-off of students, vehicular traffic in the school vicinity, and providing for the general safety of students, families, and staff at Peak to Peak Mountain Charter. Law-enforcement and fire fighters visit school site annually for updates and familiarity. Peak to Peak Mountain Charter was registered with Ready Kern for emergencies and community alerts.

The school emergency plan was revisited and revised in October of 2015. The plan was rehearsed and executed during the Great Shake Out in October 2015. The evacuation drill is held annually in September 2016 so parents may be familiar with the off -site pick-up location. In addition, fire drills are held each month, lock-down and other emergency drills are held annually. Peak to Peak is registered with Ready Kern for emergencies and communit alerts.

The key elements of the emergency plan include

- 1) Introduction
- 2) Sandarized Emergency Management
- 3) Initial Response to Emergencies

4) Immediate Response Actions

5) Emergency Procedures

6) Other Emergency Information

7) Emergency Drills/ Management Organizational Chart/ Phone Numbers

8) Apendices

Professional Development – Most Recent Three Years

The community of Peak to Peak Mountain Charter recognizes that staff development directly affects student academic success. A Professional Learning Community (PLC) has been established to encourage grade-level articulation and identify needed staff development. At the beginning of the year, staff development needs are planned after the analysis of authentic student performance results from the STAR test (or equivalent), grade-level assessments,

including multiple measures, and teacher observations. The focus of these long-range plans will be that all students achieve proficiency or above on the CST. Staff works on calibrating the curriculum to align with the grade-level content standards.

Accelerated Math and Reader are programs that are available to all grades. Teachers and instructional Aides have on-going training. All staff is receiving on-site, on-line tutorials (Ren U) and Q&A meeting. These programs give not only teachers, but parents as well, current level and growth in math and reading.

Teachers share their experiences using HET techniques in their classroom to teach a standards-based content lessons. Consequently the teacher is coached by the administration observing a classroom lesson to ensure they are able to utilize this instructional strategy effectively. Additionally, team members will provide support for new staff members by modeling effective lessons embedded with HET teaching and assessment strategies.

To deepen teachers' content knowledge and engage all students in learning, our staff will attend site workshops, college courses, and professional conferences. Examples of on-site professional development may include in-service training on curriculum and technology use. Staff has attended HET conferences providing the latest research on instructional strategies.
